

## **Privacy Policy**

This Privacy Policy describes how the Pictures-Talk application (“App”), operated by Double-N ERP Consultancy (“Company”, “we”, “us”, or “our”), handles user information.

### **1. No Personal Data Collection**

We do not collect, store, or process personal data on our servers. The App is designed to function without requiring users to create an account or provide personal information.

### **2. Local Processing of Content**

All images, audio recordings, and generated videos are processed locally on your device or temporarily processed only to the extent necessary to provide the App’s core functionality. The Company does not store or retain this content.

### **3. User Responsibility**

You are solely responsible for any content you create, upload, or share באמצעות the App. This includes any personal data contained within your images, audio, or videos. You are responsible for ensuring that your use of the App complies with applicable privacy and data protection laws.

### **4. No Data Sharing or Selling**

We do not sell, rent, or share user data with third parties. We do not use your content for advertising, analytics, profiling, or marketing purposes.

### **5. Third-Party Services**

The App may rely on standard platform services (such as app stores or operating system functionality). These services may process data in accordance with their own privacy policies. The Company does not control such third-party processing.

### **6. Data Security**

As we do not store personal data on our servers, the primary responsibility for data security lies with the user's device and platform provider. We encourage users to keep their devices secure.

## **7. Children's Privacy**

The App is not intended for unlawful or harmful use. We do not knowingly collect personal data from children. Any content involving minors remains the sole responsibility of the user.

## **8. Changes to This Privacy Policy**

We may update this Privacy Policy from time to time. Continued use of the App after changes are made constitutes acceptance of the updated policy.

## **9. Contact**

If you have any questions about this Privacy Policy, please contact the Company through the support channels provided within the App or App Store listing.
